

Soak Tank

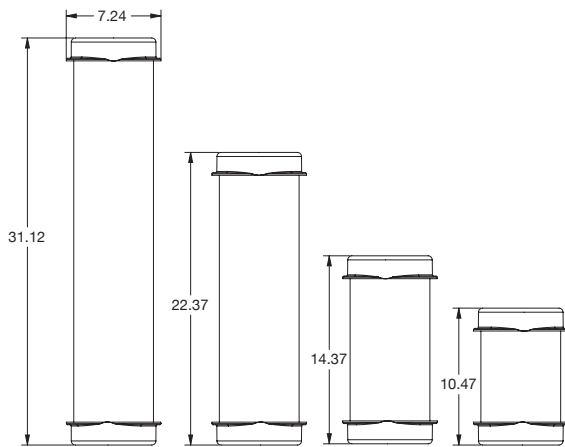

Waterway's all new Soak Tank allows for easy cleaning of spa cartridges. The tank can be filled with a non-foaming soap solution to kill bacteria and clean the cartridge from dirt and debris. There are four sizes available to cover a wide variety of 5" filter lengths.

Features:

- Available in four different sizes
- Fits most 5" diameter cartridges
- Allows for easy cleaning of cartridges

Specifications:

- 6.1" Inside Diameter
- Made of durable PVC material
