

hydroball Impulse Jet

The Ultimate Jet Therapy

Experience a deep kneading massage with Waterway's exciting new Impulse Jet.

Activated by simply applying pressure to the jet's rollerball, the Impulse Jet comes to life providing a soothing pulse massage to sensitive parts of your body.

The result is an amazing experience not found in other hydro massage jets.

FEATURES:

- Provides relaxing and relieving acupressure to sensitive parts of your body
- The roller ball allows for easy action over palms, arms, shoulders, lower back and feet
- Actuates only upon compression
- Diverts power to other jets when not activated
- Available in all jet styles
 - Available in Poly and Power jet sizes

This product covered by
US Patent #US9,717,647 and
