

Executive 4 HP Pump

Features:

- 100% copper windings with state of the art construction
- 8 feet high quality cord with 4 pin amp connector is included
- Executive wet end designed specifically for the 56 frame motors
- Large 2" or 2 ½" intake for improved flow performance and reduced noise
- Large 6 ½" diameter wet end for higher head pressure and energy efficiency
- Split capacitor, (start and run) for less energy consumption
- Thermally protected to extend life expectancy of the motor that is quiet and reliable
- Highly versatile wet end can be rotated every 90°
- Silicone carbide seals, Viton bellows, 316SS casing, corrosion resistance against chlorine, bromine & salt
- CE and TUV certification on export pumps to ensure product performance for you and your customers

| Part # | Description |
|-------------|--|
| ME-40226-20 | Executive 4 Hp, 2 Speed, 230V, 2" Intake, 2" Discharge |
| ME-40226-25 | Executive 4 Hp, 2 Speed, 230V, 2 ½" Intake, 2" Discharge |
